

September Swim School Newsletter

September is here, bringing the excitement of spring and a fresh season of growth in the pool! As a swim school community, we love seeing our swimmers build confidence, develop new skills, and celebrate personal achievements each week.

This month we're launching our Spring into Swimming Campaign, encouraging swimmers of all ages to stay active, keep progressing, and enjoy the benefits of swimming as the weather warms up.

A big thank you to our teachers, coaches, swimmers, and whānau for helping create such a positive and supportive community. Together, we're growing confidence, building connections, and fostering a lifelong love of swimming.

Kia kaha, keep learning, keep growing, and keep making waves this spring!

Upcoming Events

Halloween at Swim Tangaroa

Get ready for some spooky fun at the pool this October! Watch out for themed activities, poolside surprises, and a few treats along the way.

Swim Tangaroa Annual Race Night

One of our biggest fundraising and social events of the year is coming up. Join us for a fun-filled evening with friends, family, and our Swim Tangaroa community. More details coming soon.

Colouring Competition

Our spring colouring competition is just around the corner! Keep an eye out for entry forms, exciting prizes, and the chance to have your artwork displayed at the pool.

Watch this space for dates, details, and more exciting announcements!

Celebrating Success at Swim Tangaroa

At Swim Tangaroa, we love celebrating the achievements of our swimmers. Whether it's mastering a new skill, building confidence in the water, earning a move-up certificate, or being recognised as our Swimmer of the Month, every milestone is worth celebrating.

One of the highlights around the pool right now is our Swim Tangaroa Sea Adventure Wall. It has been incredible to see it come to life with the creativity, artwork, and stories from our swimmers, all sharing what they love most about swimming. The wall is quickly filling with colourful sea creatures, drawings, and personal masterpieces that showcase our swimmers' enthusiasm and love for the water.

As a swim whānau, we are proud to recognise and celebrate every success, big or small.

Every swim lesson counts.

Swim Tangaroa friends!

Progression Chart

Our 48-Week Swim Programme

Swim Tangaroa runs for 48 weeks of the year. Lessons continue until Sunday 20 December 2026.

- Benefits of regular attendance:
- Build confidence in the water.
- Develop and maintain swimming skills.
- Improve water safety knowledge.
- Progress through levels consistently.
- Stay active and engaged year-round.
- Reduce skill loss from long breaks.

Why 48 Weeks?

- More time in the water means better skill development.
- Regular practice supports continued progression.
- Consistent attendance helps swimmers achieve their goals faster.

Swimming becomes a lifelong skill and healthy habit.
